

news / FOR IMMEDIATE RELEASE

DECEMBER 19, 2016 – TORONTO, ON

InvestorCOM, a leader in providing financial technology (FinTech) and outsourcing services to the Financial Services industry, today announced that it has made several key additions to its senior team.

InvestorCOM Announces Senior Hires As Part Of Growth Strategy

The company has appointed **Lois Norris** as its Chief Financial Officer. Lois joins from Communitech, an industry-leading technology innovation centre, where she held the position of CFO. Previously Lois held CFO positions in public and private companies and senior audit positions at KPMG. The company has also hired **Jim Atkinson** as Senior Vice-President, Operations. Jim joins us from CIBC Mellon and previously held a series of senior management positions at Broadridge and Resolve Corporation. Also joining InvestorCOM as VP, Head of Product and Innovation is **Dave Hook**. Dave has broad experience in the document services industry including senior roles at Symcor, Davis + Henderson, Xerox and Crawford Technologies.

These recent appointments reflect the continued development of InvestorCOM's senior team and follow several other key hires over the past year, signaling the company's commitment to expanding its services to meet the needs of its clients.

"I am delighted to welcome such a talented and experienced group of executives to our team. We are privileged to tap into the expertise of these financial services & technology leaders with deep expertise and proven track records in the specific areas that will be critical to accelerating our efforts to the benefit of our clients" said David Reeve, CEO of InvestorCOM.

Earlier this year, InvestorCOM announced the addition of Sarah Eagles as Director, HR and Jennifer O'Neill-Dembe as Manager of Customer Communications Management (CCM).

About InvestorCOM Inc.

InvestorCOM (www.investorcom.com) is a leader in providing financial technology and outsourcing services to banks, asset managers, insurance companies and investment dealers. We have developed an innovative suite of FinTech solutions in response to increasing regulation and demand for more effective communication and disclosure from the financial services industry. Our solutions address the document composition, delivery, compliance, marketing, reporting and analytics needs of our clients.
